ADMISSIONS

Non-Discrimination Policy In accordance with Christian principles, Immaculate Conception School recruits and admits students of any gender, race, color, national, or ethnic origin to all the rights, privileges, programs, and activities generally accorded and made available to all students in our school. Our school does not discriminate on the basis of gender, race, color, or ethnic origin in administration of its educational and admission policies, scholarships, loans, athletics, fee waivers, and extracurricular activities. In addition, our school is not intended to be an alternative to court or administrative agency ordered, or public district initiated, desegregation.

Confidentiality All employees and persons having access to school records shall keep information confidential. The purpose of this handbook is to summarize the requirements and safeguards that govern access to, and release of, student and personnel records and other information to individuals, agencies, and organizations within and outside Immaculate Conception School. This handbook also is intended to communicate key elements of nondiscrimination policies and procedures for Immaculate Conception School. The provisions of this handbook are consistent with the policies adopted by Immaculate Conception School.

Entrance Requirements

- A child must be 5 years old on or before August 31 of the year in which the child enters kindergarten.
- State health forms must be filled out and filed at the school before formal classes begin. No student will be admitted without proper immunization or its substitute.
- Birth certificates and guardianship papers are to be on file on or before the first day of school.

Financial Aid There are also several tuition scholarships available for families.

- The **EdChoice Scholarship Expansion** makes available new income-based scholarships statewide for students entering kindergarten through eighth grade.
- The **NOSF** (Northwest Ohio Scholarship Fund) offers partial scholarships for students in need. Applications are available online.
- Locally, we also offer **Father Bishop Tuition Assistance** which is based on family-need.

The applications for all of these scholarships are available at the school. **These are great opportunities to assist you in paying for a Catholic education at our school. Cost should *not* be a determining factor in choosing Immaculate Conception School.**

Probationary Statement Children entering Immaculate Conception are admitted on a probationary basis for a period of nine weeks. During this time, the staff evaluates the student's ability to adapt to the various aspects of our school program: the Catholic Christian environment, the discipline code, the academic structure, and teacher expectations. If the parents/guardians have to be notified twice within this 9-week time frame, the student may have missed his/her opportunity to be admitted and his/her enrollment permanence may be denied.

ACADEMIC ASSESSMENT

The grade book is available through the Option C website. The grade book is viewable at all times for parents/guardians of students in grades 3-8 to view grades on assignments as the teacher posts them. Teachers will post within one week of the due date. We encourage parents/guardians and students to review the grades frequently to determine the student's academic success. Teachers are available to discuss assessments and grades on assignments on a daily basis by email. If you would like to talk with a teacher in person, we ask that you either email or call ahead to arrange a time after students have been dismissed.

Non-payment of tuition and/or lunch charges will result in denial of access to the report card until the fees are paid.

Curriculum Immaculate Conception School follows the Diocese of Toledo's curriculum guide as well as the State of Ohio's Learning Standards.

Grading Scale: Grades 3-8

- A (93-100)
- B (85-92)
- C (77-84)
- D (70-76)
- F (69 and below)

Honor Roll: Grades 5-8

- Distinguished Achievement – All As
- Honors Achievement – Mixture of As and Bs

Standardized testing All students in grades K-8 will be administered the MAPS Test in the fall and again in the spring. All students in grades two through eight will be administered the Religion ARK test in the spring.

Homework Homework is intended to enrich and reinforce learning which has taken place in the classroom. Homework consists of any assignment, written or studied, that the teacher has assigned your child.

Parents can assist their children by doing the following:

- Avoid distractions. A quiet spot away from TV, radio, telephone, and the rest of the family is helpful.
- Have essential tools on hand – paper, pen, pencil, ruler, etc. This will minimize loss of time searching for them.
- Check all homework for neatness and completeness. Check assignment pads.
- Do not do your child's homework, but be ready to listen to them to review for tests, practice spelling, vocabulary, math facts, and to assist as needed.

Length of homework

- Grades Kindergarten and 1 – up to 30 minutes
- Grades 2 and 3 – up to 45 minutes
- Grades 4 through 6 – up to 90 minutes
- Grades 7 and 8 – up to 120 minutes
- During illness: Students will have as many days to make up work as they were absent.

Promotion/Retention/Placement A student shall be retained if he has two failing averages in major subjects in a semester. Parents/guardians will be notified and consulted in a reasonable time prior to the decision to retain a child. However, the right to retain a student at a certain level is dependent on the school's judgment and, therefore, the parents'/guardians' permission is not required. Placement of a student in lieu of retention may be considered after consultation with the principal.

Students with Disabilities In addition to our regular education teachers, we also provide services for students with special needs. We currently have three specialists on staff: Speech and Hearing, Title 1, and Intervention. If a parent believes that their child has a disability of some sort, please reach out to the homeroom teacher. We work with Bellevue City Schools (as well as the student's district of residence) on having students evaluated and determining what accommodations are best for the individual student. Likewise, if a teacher suspects that a student may have a disability, an evaluation may be recommended. Any formal evaluation will be approved by the parent prior to taking place.

Report Cards/Progress Reports Report cards are sent home approximately one week after the end of each quarter. Final report cards are to be picked up by parents during the first week of summer vacation. Student's grades are available to be viewed at any time on Option C.

Parent/teacher conferences Conferences are formally scheduled in the fall each year. However, parents and teachers are encouraged to schedule conferences at any point during the school year as they are deemed necessary.

ARRIVAL AND DISMISSAL PROCEDURES

Drivers are asked to follow the driving pattern entering the parking lot off Center Street and exiting behind church on to Center Street. Please remember to pull forward toward the church before your children exit the vehicles to allow cars to pull in behind you. Students will walk into the school and go into the gymnasium. Breakfast will also be available for students to purchase. There will be supervision in the gymnasium until dismissal to the classrooms. The morning extended care is free of charge. **Class begins promptly at 7:45 a.m.**

There is no parking on the playground areas between 7:00 am and 2:15 pm. Parked vehicles are only permissible on the lot across the street from the school. Dismissal begins at 2:20. Bus students are dismissed first; extended day students and car riders are dismissed second; walkers are then last. Classroom teachers of students in kindergarten through grade 4 will dismiss car riders to their parents or designated driver for the day, thereby ensuring the safety of the students. Students in grades 5-8 are given the responsibility of dismissing independently.

Pattern for dismissal

- Parents will enter the parking area from Center Street and form a line of cars. Students will be dismissed to the cars. Cars should then exit behind the church back onto Center Street.
- Students will take their normal transportation each day. If that should change, please notify the classroom teacher/school office by **1:45 pm.**

ATHLETIC PROGRAM

Students are expected to maintain their academic work in order to continue to be eligible for any extra-curricular activity. Cooperation and good sportsmanship are essential to any sports program. Middle school students are invited to participate in sports at their local school district. That school's guidelines are to be followed by our athletes as well.

ATTENDANCE

Our academic programs are based on learning skills taught each day. These daily learning skills need to be continuous and sequential in order. When a student is absent from a day of school, he misses a part of the whole skill development that is necessary for complete understanding of a lesson. Therefore, daily attendance is critical to the learning process. Total commitment by the students, parents/guardians, and school personnel will assure that daily attendance is maintained.

The administration reserves the right to review cases of chronic absence to determine whether a student can be considered for continued enrollment in our school.

Excused absences include:

- personal illness, injury;
- death of a relative;
- doctor and dentist appointments;
- emergency family illness/concerns;
- family vacations (must receive prior approval from the principal);
- unavoidable circumstances (approved by the principal).

In the event that a student accrues more than 8 days of absence for the semester, parent(s) will receive a notice that a doctor's excuse will be required if there are any future absences. When a child is unable to attend school, the parents are required to notify the school by phone before 8:00 a.m. or the child's parent will be contacted.

Students are given the same amount of days they were absent to make up for their missed class work, tests, or special projects. Students are responsible to make arrangements with their teachers to make up their class work. Grades will be withheld if make-up work is not completed.

Tardy is defined as not present in the classroom and ready for class at the 7:45 a.m. bell. Any student arriving after 7:45 a.m. must report to the office.

- A student is tardy from 7:45 a.m. to 9:15 a.m.
- A student leaving between 1:30 and dismissal time for an appointment is recorded as early dismissal.
- A written, parent-signed note must accompany a student's readmission to class or release from class.
- Two unexcused tardies per quarter may result in consequences determined by the classroom/homeroom teacher according to classroom behavior management guidelines appropriate to that grade level.

Leaving school Please avoid scheduling medical and dental appointments during the school day. A written note is required before a child is excused during the regular school day. No child will be released without proper approval. Parents must sign their children in and out at the school office.

½ day absence A student is ½ day when arriving after 9:15 a.m. or leaving before 12:45 p.m.

Once a child is on school property, he/she may not leave school grounds without written permission from the parents and approval from the school principal, secretary, or teacher.

Vacations Vacations which take a student away from his studies for an extended period of time are viewed as less than desirable for a sound education and are discouraged. It is impossible for a student to make up all the instruction given by teachers during the missed class time.

Parents are required to complete a Personal Convenience Absence form at least one week prior to the absence. Each student is responsible to obtain and complete all make-up work. Make-up work must be turned in within 5 days upon return to school in order to receive full credit. No make-up work will be provided prior to the vacation absence.

COMMUNICATION

What parents can expect of teachers

- supportive of parents and students
- effective communication with each other, students, and parents
- commitment to educating the mind, body, and soul of each student
- create fair classroom policies
- support and enforce all school policies
- support and follow the laws of the Catholic Church

What teachers can expect of parents

- assist students in the faith formation by attending Mass regularly and helping the children learn prayers and church traditions
- contact the teacher for clarification in the event of a question, concern, or disagreement
- show an active interest in their child by participating in various activities that enhance education
- supportive of the teachers
- respect the teacher as a professional educator as well as his/her good name and reputation in the community

Lines of Communication

- **Student-teacher** Children are encouraged to attempt solutions to their problems. Teachers and the principal are always available to lend a helping hand.
- **Parent-teacher** Parents should always listen carefully to a child in order to determine the best way to help them solve their problem. Parents should address concerns to the teacher in order to understand the full scope of a problem and work with the teacher and their child in order to bring about a solution.
- **Parent-teacher-principal** If parents have sought a solution with the teacher and still remain unsatisfied, the principal is available to contribute to and mediate discussion. Parents are encouraged to call the school office

to arrange an appointment with the principal. Immaculate Conception School is committed to the well-being of all students and will work together with parents to find the best strategies to ensure success for the student.

DISCIPLINE

The discipline at Immaculate Conception School aims to form Christian character through Gospel values. Because the school is Catholic, each child learns to grow in:

Respect for God
Respect for Self
Respect for Others
Respect for Property

The rules and expectations of this school and of the individual classrooms are based on these values.

Every student, as well as every teacher, has the right to a classroom and school atmosphere that provides for maximum learning. Respect for adults and fellow students, respect for property, obedience, awareness of the needs of others, and the effort to develop self-directed behavior are expected of each student.

Parents/guardians are kept informed of their child's cooperation in matters of behavior and are asked to support the school's efforts by their own consistency in the home. Unless the student knows that parents/guardians and teachers are working together in matters of behavior, there is little that can be accomplished to instill the desire to behave appropriately.

Apart from serious discipline problems, it is inevitable that minor disagreements between students and teachers will arise. Misbehavior, misunderstandings, and mistakes of judgment are bound to occur. Parents/guardians can use these occasions to intelligently and maturely teach their child some important practical truths and successful ways to get along with others. If there is some question about justice or fairness in a particular incident, discuss it first with the child's teacher. If there is still need to do so, the matter can then be referred to the principal.

Students have a right to reasonable treatment from the school. The school, in turn, has a right to expect reasonable behavior from students.

Violation on the part of a student of any one or more of the following Student Code of Conduct rules and the other policies and procedures outlined in this handbook may result in disciplinary action including: parent/guardian consultation, denial of privileges, detention, emergency removal from class or school, suspension from the affected classroom, suspension, expulsion, and/or permanent exclusion. This is not meant to be all inclusive, since the principal may use other options if they are deemed more appropriate to the infraction of the rules such as involving outside agencies and/or law enforcement. Every attempt will be made to find appropriate strategies to help the student to conform to the rules and guidelines of Immaculate Conception School.

Student Code of Conduct

At ICS students will

- show respect, obedience, and courtesy to all school authority.
- show respect and friendliness by their words and actions for their fellow students and all visitors to the school.
- show respect for all school property, other students' property, and their own property.
- cooperate with their teachers and classmates, exhibiting behavior that allows every teacher to teach and every student to learn.

- obey all classroom, cafeteria, playground, and school rules.
- be on time and present every day, except when prevented by illness or other excusable reasons.
- be prepared for classes by having materials needed and all assignments neatly completed.
- be properly attired and groomed according to the Dress Code.
- use acceptable language.
- be accountable for all their actions when riding the bus, on field trips, in Church and on all occasions when representing Immaculate Conception School.

At Immaculate Conception School, conduct of students/parents/faculty inside or outside of school that is detrimental to the reputation of the school, or those that attend, can be disciplined/dealt with according to our disciplinary code.

ANTI-BULLYING Bullying is an intentional written, verbal, or physical act that a student has exhibited towards another particular student more than once. The behavior causes both mental and/or physical harm to the other student and is sufficiently severe, persistent, or pervasive that creates an intimidating, threatening, or abusive educational environment for the other student. Permission, consent, or assumption of risk by an individual subjected to bullying does not lessen the prohibition contained in this policy. Prohibited activities of any type including those activities engaged in via computer and/or electronic communications devices are inconsistent with the educational process and are prohibited at all times. No administrator, teacher, or other employee of the district shall encourage, permit, condone, or tolerate any hazing and/or bullying activities. No student, including leaders of student organizations, may plan, encourage, or engage in any bullying. Administrators, faculty members, parents, students, and all other employees who fail to abide by this policy may be subject to disciplinary actions, and may be liable for civil and criminal penalties in accordance with Ohio law.

ELECTRONIC DEVICES Possession of a cellular telephone or other ECD by a student is a privilege, which may be forfeited by any student who fails to abide by the terms of this policy, or otherwise engages in misuse of this privilege. Violations of this policy may result in disciplinary action and/or confiscation of the cellular telephone or ECD. If the cellular telephone or ECD is confiscated, it will be released and returned to the student's parent/guardian after the student complies with any other disciplinary consequences that are imposed. The building principal may also refer the matter to law enforcement if the violation involves an illegal activity (e.g., child pornography). The student who possesses a cellular telephone or ECD is responsible for its care. Immaculate Conception School is not responsible for preventing theft, loss, damage, or vandalism to cellular telephones or ECDs brought onto its property. Parents / guardians are advised that the best way to get in touch with their child during the school day is by calling the school office.

SEXUAL HARASSMENT Immaculate Conception School is committed to eliminating and preventing sexual harassment from all schools and facilities. Sexual harassment is improper, immoral, illegal, and will not be tolerated within the district. This policy is implemented to inform students as to what sexual harassment is and what procedures are to be followed in dealing with sexual harassment within the district.

I. DEFINITION OF SEXUAL HARASSMENT Ohio and Federal laws define sexual harassment as unwanted sexual advances, or unwanted visual, verbal, or physical conduct of a sexual nature. Such offensive behavior includes, but is not limited to the following:

- Unwanted sexual advances, including propositioning, repeatedly asking someone out for a date after it is clear that the person is not interested.
- Explicitly or implicitly offering employment benefits in exchange for sexual favors.
- Making or threatening reprisals after a negative response to sexual advances.
- Nonverbal conduct: leering, making sexual gestures; displaying sexually suggestive objects, pictures, cartoons or posters.
- Verbal conduct: making or using derogatory comments, epithets, slurs, or jokes; making sexually based remarks about another person's or one's own body.
- Verbal abuse of a sexual nature, graphic verbal commentaries about an individual's body, sexually degrading

words used to describe an individual, suggestive or obscene letters, notes or invitations.

G. Physical conduct: touching, assault, impeding, or blocking movement.

This sexual harassment policy is intended to protect against sexual harassment before it becomes actionable sexual harassment. The term "sexual harassment" is intended to mean sexual harassment in the broadest meaning of that term in current popular as well as legal usage.

Serious Misconduct Code There exists, on the part of the students at Immaculate Conception School, the obligation of obedience to lawful commands, subordination, civil deportment, and respect for the rights of other students and employees of the district. This code is to ensure that an individual will not disrupt or deprive others of being educated. The items of this code are inclusive for all students when properly under the authority of school personnel during a school activity, function, or even whether on the property, owned, rented, or maintained by Immaculate Conception Parish and School, or property owned, rented, or maintained by another party. This code is also in effect while walking or being transported to or from school by bus or automobile. All members of the school community should treat each other with respect at all times in all places. This code shall also be inclusive for the right to exercise authority and for the personal and property protection of administrators, teachers, substitute teachers, teacher aides, monitors, authorized volunteers, tutors, secretaries, cooks, custodians, bus drivers, or other authorized school personnel. A violation of any of the following rules may result in disciplinary action, including detention, emergency removal, in school suspension, out of school suspension, expulsion; or removal from class, extra-curricular activities, or the premises. A student shall be held in violation of this code when evidence proves participation in the following examples of gross misconduct.

- **Immoral Behavior** A student may not possess obscene pictures, books, magazines, etc. on school property.
- **Forgery** A student will not be engaged in the act of falsely using, in writing, the name of another person, or falsifying times, dates, grades, addresses, or other data on school forms or correspondence directed to the school

- **Use of Profane, Vulgar, or Abusive Language or Gestures** A student will not use profane, vulgar, abusive language or gestures.
- **Academic Dishonesty** Under no circumstances will one student obtain and/or use the work of another student, or misuse copyrighted materials on an assignment. It is equally dishonest for a student to provide information or work to another student who knowingly takes credit for such work or information (plagiarism).
- **Inciting Others To Violence or Disruption** A student will not with words, acts, or deeds directly incite others to commit violence or disrupt the atmosphere of order and discipline necessary for effective learning.
- **Truancy** A student will not be truant from school for part or all of a day. This includes unexcused absences from a study hall, class, or any other properly assigned activity. This also includes excessive tardiness.
- **Vandalism or Damage to Personal, Private, or School Property** Students will respect the personal property of all students and staff. Students will respect the public property owned by the community and the Bellevue Board of Education. A student will not cause or attempt to cause damage to or deface the property of others or public property owned by the community and the Bellevue Board of Education. In accordance with ORC 2090.05, parents and students involved may be liable for payment for the cost to repair or replace any such property damage caused by their children.
- **Frightening, Degrading, and Disgraceful Acts** A student or group of students will not engage in nor encourage any other student to engage in behavior that injures, disgraces, or degrades any person. Prohibited behavior includes, but is not limited to, slurs, epithets, profanities, threats, jokes or other verbal or physical conduct based on a person's race, national origin, religion, disability, gender, sexual orientation, or age.
- **Theft of Property** A student will not take or attempt to take into his/her possession property of another.

- **Repeated Violations** A student will not repeatedly refuse to comply with directions of teachers, student teachers, substitute teachers, teacher aides, principal, assistant principal, or other authorized school personnel during any period of time when the student is properly under the authority of school personnel.
- **Failure to Follow School Rules and Policies** In recognition that any list of prohibited conduct cannot encompass every conceivable action, which may properly be subject to discipline, the authority to administer discipline for conduct not specifically set forth will be at the discretion of the administrator.

DISCIPLINARY PROCESS AND PROCEDURES Discipline is the shared responsibility of students, parents, and school employees. ORC 3313.20, 3313.66, and 3319.41. School authorities may take disciplinary action with any student whose conduct at any time or in any place interferes with or obstructs the mission of the school district or the safety or welfare of students or employees. The disciplinary actions will fit the specific code violations depending upon the severity of the offense.

ZERO TOLERANCE PHILOSOPHY Students are expected to demonstrate responsible, respectful behavior at all times. Immaculate Conception School has "zero tolerance" of violent, disruptive, intimidating, or any other inappropriate behavior by its students. Students are required to conduct themselves in a way that exhibits respect and consideration for the rights of others. Students must conform to school regulations and accept directions from authorized school personnel.

INTERROGATIONS AND SEARCHES Immaculate Conception School has responsibility for the control and management of the students during the school day and hours of approved extracurricular activities. The right of inspection of students' school lockers or articles carried upon their persons and the interrogation of an individual student is an inherent authority granted to the school. All searches are conducted sparingly and only when such search is reasonably likely to produce the safety and security of persons and their property within the area of the school's responsibility. The rules apply to the search of school property assigned to a student (locker, desk, chromebook, etc.) and the seizure of items in his/her possession. General housekeeping inspection of school property may be conducted with reasonable notice. Random searches of lockers may be conducted. A general inspection of school properties such as lockers, desks, etc. may be conducted on a regular basis. During these inspections, items which are school property may be collected (example: chromebooks).

EMERGENCY REMOVAL A student may be removed from the school setting without the formal suspension and expulsion procedures when it is determined that his/her presence poses a continuing danger to persons or property or an on-going threat of disrupting the academic process. A student so removed may be suspended and/or expelled through a due process hearing, which must be held within 72 hours after removal ORC 3313.66(C).

STUDENT SUSPENSION The principal may suspend a student from school for disciplinary reasons outlined in the student code of conduct. No period of suspension will be for more than 10 school days. Suspension may extend beyond the current school year, if at the time a suspension is imposed, fewer than 10 days remain in the school year. The principal may apply any or all of the period of suspension to the following year. The principal may require a student to perform community service in conjunction with, or in place of, a suspension. The guidelines listed below will be followed for all suspensions, including those of in-school suspension.

1. The student will be informed in writing of the potential suspension and the reasons for the proposed action.
2. The student will be provided an opportunity for an informal hearing to challenge the reason for the intended suspension and explain his/her actions (suspension may be invoked immediately after steps 1 and 2 above only if there is an immediate risk or harm to person or property).
3. Every reasonable attempt will be made to notify parents or guardians by telephone when a suspension is issued.
4. Within 24 hours, a letter will be sent by U. S. mail to the parent or guardian stating the specific reasons for the suspension and including notice of their right to appeal such action. Each student has the right to be represented at the appeal hearing by a representative of choice.

FAITH AND WORSHIP

Religion Class All students participate in daily religious instruction, which is based on Catholic doctrine and tradition. This instruction in Catholic beliefs and values permeates all aspects of the school program.

Liturgy Liturgy is our ritual celebration of God's love for us. Our goal is to educate our students on the purpose and privilege of attending Eucharistic celebrations in order to enhance their appreciation for, and participation in, weekly and Sunday liturgies. Grades five through eight take turns in planning and participating in special roles during the liturgy. In addition to weekly school Masses, students participate in other worship experiences, such as May Crowning, Monthly Eucharistic Adoration, and Advent/Lenten prayer services.

Sacraments Reconciliation, First Communion, and Confirmation sacramental preparation is provided in cooperation with the parish's Religious Education department. Parents/guardians, teachers, and students work as a team to prepare these foundational steps in our Catholic formation. Announcements for parent meetings for each sacrament are sent home through the school newsletter and Sunday bulletin.

Retreats Students in grades two and eight participate in retreats in preparation for their First Communion or Confirmation.

Parental Guidelines As a parent, you are your child's primary teacher of faith. You model for your child the correct attitudes of reverence, respect, and responsibility that are crucial to a good liturgy. It is important that you and your child faithfully attend Mass every weekend. In this way, you lead your child along the path toward mature, adult participation in the life of Christ. Teach your child that all aspects of liturgy are important, including the planning, preparation, participation and prayer involved. There are many ways to use our gifts in service to God and our faith community. Some sing or play a musical instrument well, some are naturally friendly and hospitable, some are excellent readers, some are reverent prayers. In all of these ways, we represent and experience Christ as we celebrate Mass together.

GENDER RELATED MATTERS

The Catholic Church has always believed that her first mission given her by Christ Jesus is the salvation of souls. The Church must be true to her own identity and mission. Thus, the teachings of the Catholic Church must permeate all aspects of her activities. As a result, the Catholic community has a responsibility to be a witness to truth, charity, and justice based on the Gospel; and must always strive to be respectful of persons and understanding of the struggles present within and among the people of God. It would be inconsistent with the Church's mission to teach, promote, or encourage anything that is contrary to the teachings she has received from God and which the Magisterium has clearly and consistently articulated. For this reason, the Church cannot, and may not, sponsor, endorse, facilitate, or host such organizations, events or activities that would promote such views, in any form or format whatsoever.

With specific regard to the human person, the Catholic Church has always and everywhere affirmed her belief that each and every human being is created in the image and likeness of God. As such, every person deserves respect, dignity, and freedom from discrimination. By remaining true to what Christ has taught concerning the human person, the Church encourages individuals to accept their own bodies and gender as they were created¹, and seeks to help all people to recognize that the current attempts in modern culture to redefine gender and social institutions, as well as alter the nature and purpose of human beings, are misguided and not in accord with the truth. Therefore, it would be morally unacceptable for the Catholic Church, including the Diocese of Toledo, its parishes, schools, or

ecclesiastical organizations to provide accommodations based on anything which in itself is contradictory or antithetical to the teachings of Christ and his Church, including notions of gender and sexuality that are contrary to Catholic teachings. For a fuller catechetical treatment of this topic, see Catechesis Regarding Human Dignity and Gender-Related Matters in the Appendix.

In Catholic parishes, schools and ecclesiastical organizations of the Diocese of Toledo, all activities and ministries are to be rooted in, and consistent with, the principles of Catholic doctrine.

Therefore, in every parish, school and institution, all paid employees and unpaid volunteers will:

- Treat all persons with sensitivity, respect, and compassion.
- On a case-by-case basis, consider in a compassionate way any specific request sensitive to the physical and psychological needs of a person. The basis of the consideration will be on the following questions:
 - What is the specific request of the adult, student and/or parent(s)/guardian?
 - Is the request in keeping with the teaching of the Catholic Church?
 - Is the parish, school or ecclesiastical organization reasonably able to provide for the request?
- Require that names and pronouns be in accordance with the person's biological sex.
- Maintain names in records according to the person's biological sex.
- Confirm that uniforms and gender specific dress, bathrooms, locker rooms, showers, and sponsored activities will all be according to biological sex.
- Require that participation on athletic teams and extra-curricular activities be according to biological sex.
- Consult the Office of Marriage and Family Life with extenuating circumstances.

HEALTH AND SAFETY

Child Abuse Policy The employees of Immaculate Conception School are required by law to immediately notify the local public children services agency when it is suspected that a child has been abused or neglected. All information will be kept strictly confidential.

Safety in the Classroom The child care staff member in charge of a child or group of children shall be responsible for their safety. No child is ever left alone or unsupervised. A child will never be released to anyone other than his/her parent or guardian unless the teacher has received written permission from the parent or guardian. Once all children have arrived for school, the exterior doors to the school will be locked until dismissal. A Custody Agreement must be on file for those children to which it applies.

Immaculate Conception School will not transport a child to the source of emergency medical or dental care. The Bellevue Hospital and parents will be called in the case of extreme emergencies. Parents will be called for minor emergencies.

Safety Rules

For the safety of each student at Immaculate Conception School, the following rules have been established:

- No child will ever be left alone or unsupervised.
- No child will be allowed to cause bodily harm to other children.
- A teacher or aide will be with the children during arrival/dismissal times.
- No child will be released to a person not authorized by a custodial parent or guardian. We must have a written authorization to allow an adult who is not the custodial parent or the legal guardian to pick up a child.
- Emergency numbers are posted by the telephone, along with the fire, emergency, and weather alert plans.
- Monthly fire drills are conducted and a record of these is kept at school. All exits are marked and a fire alarm system is in working order.
- Tornado drills are held in season.
- Crisis and Emergency Level Drills are held twice each year.
- Spray aerosols shall not be used when children are present.
- Electrical outlets are covered when not in use.

- All visitors are to report to the main office during regular school hours. Visitors in the school will be identified by wearing an ICS VISITOR badge.

In compliance with Ohio Code 3301-10 the actual method of discipline shall apply to all persons on the premises and shall be restricted as follows:

- There shall be no cruel, harsh, corporal punishment or any unusual punishments such as, but not limited to, punching, pinching, shaking, spanking, or biting.
- No discipline shall be delegated to any other child.
- No physical restraints shall be used to confine a child by any means other than holding a child for a short period of time, such as a protective hug, so the child may regain control.
- No child shall be placed in a locked room or confined to an enclosed area such as a closet, a box, or similar cubicle.
- No child shall be subjected to profane language, threats, derogatory remarks about himself or his family, or other verbal abuse.
- Discipline shall not be imposed on a child for failure to eat, failure to sleep, or for toileting accidents.
- Techniques of discipline shall not humiliate, shame, or frighten a child.
- Discipline shall not include withholding food, rest, or toilet use.
- Separation, when used as discipline, shall be brief in duration and appropriate to the child's age and developmental ability and the child shall be within sight and hearing of a preschool staff member in a safe, lighted, and well-ventilated space.
- The school shall not abuse or neglect children and shall protect children from abuse and neglect while in attendance in the preschool program.

The current preschool discipline policy is handed out and explained to parents/guardians at the parent orientation at the beginning of the school year or upon entrance into the preschool program. Classroom rules and policy procedures are posted in the classroom.

Medications A Medication Form is a request for the administration of prescription and non-prescription medication. A separate form must be completed for each medication. Except in cases of emergency, families provide the first dose of any newly prescribed medication so that they may personally observe the child's reaction. These forms are available from the school nurse.

Nurse A registered nurse is on premises most school days during the lunch hour.

Allergies It is the responsibility of the parent to make the school aware of any allergy that the student may have.

Illness, Communicable Diseases and Emergencies The Communicable Diseases Chart published by the Ohio Department of Health is posted in the classroom. Staff members have completed the Red Cross Courses on Communicable Disease, First Aid and Child Abuse Prevention.

A staff member who is ill or becoming ill will be sent home and a substitute teacher will be contacted to replace her. If a child has or develops any of the communicable disease symptoms during class, parents will be notified and the child will be isolated in the school nurse room until the parent arrives.

Please contact the school if your child has a communicable disease so that we can notify other parents that their child may have been exposed to the illness. A child may return to school upon verification from the parents that the child has been free from the communicable condition for a 24 hour period, or in accordance with the minimum control standards listed on the Communicable Disease Chart posted in the classroom.

In case of an emergency, an attempt will be made to notify the parents and action taken according to instructions given by the parents on the emergency sheet.

Medication, either over-the-counter or prescriptions, will not be administered by any staff member.

PARENT TEACHER ORGANIZATION (PTO)

The purpose of this organization is to provide a structured organization to promote communication and cooperation between the home, school, and community in the education of our children.

Their goal is to promote the welfare of the children, to serve the school, and to bring about a closer relationship between the home and school.

The membership is open to all parents of students who attend Immaculate Conception School. The group consists of different committees who facilitate activities and fundraisers for the school. Meetings are held monthly. Your participation is encouraged and greatly appreciated.

RAPID DISMISSAL

In the event of an emergency, families will be contacted via Option C. As a school and parish community, our safe location in the event of an evacuation is Bellevue Public Library.

REGISTRATION

Preschool and kindergarten through grade 8 registration begins during the month of March. At this time, immunization, birth certificate, and custody papers (if applicable) must be presented. Kindergarten screening takes place in late spring. A student's registration fee then guarantees a spot in the classroom. Total tuition OR a secured loan through Firelands Federal Credit Union is to be made on or before July 1.

TELEPHONE/CELL PHONE

Generally, parents and students should make arrangements concerning the day's activities before the child leaves home in the morning. Students may use the phone only in cases of emergency. This does not include calls for papers, books, gym clothes, etc. that have been left at home or in the car.

Students who have a cell phone in school must keep it in their backpack/in their locker and it should be turned off. Students who fail to follow this procedure will have the cell phone removed from their possession and kept in the office until their parent/guardian retrieves it (see Electronic Devices).

TRANSPORTATION

Bellevue Public Bus: The Bellevue Board of Education provides bussing for students who live in the Bellevue Public School District who meet bussing requirements. Questions regarding bus scheduling should be referred to the Bellevue Board of Education Office (419-484-5000). All Immaculate Conception students are required to be enrolled in Final Forms through Bellevue City Schools as well.

Our utmost concern is for the safety of each child. Students must obey at all times the rules and regulations established by the school system and bus drivers. Failure to comply with rules and regulations will result in a written report submitted by the driver to the Immaculate Conception School principal. Parents will receive a copy of the report and will be advised of the corrective measures being taken.

Students will be dropped off on Broad Street in the morning--there is no transferring of buses in the morning. After school, students take the shuttle bus from ICS to the middle school, where they then transfer to their bus for the ride home.

Traffic pattern for arrival Parents may follow the driving pattern entering the parking lot off Center Street and exiting behind the church on to Center Street. Please remember to pull forward to the playground sidewalk toward the church before your children exit the vehicles to allow cars to pull in behind you. Students will walk on the sidewalk to the school entrance. Students will gather in the gymnasium until 7:30 a.m. when they are dismissed to their classrooms. Class begins promptly at 7:45 a.m.

Dismissal begins at 2:20 with the bus students. The remaining students will be dismissed when the buses depart.

Traffic pattern for dismissal

- Parents will enter the parking area from the Center Street entrance and will form a line parallel to the playground equipment. If a parent wishes to park and walk to get their child(ren), the lot across the street should be used. At dismissal, students will wait with teachers until the parent has come for them. Once a student is in the vehicle, please exit the parking lot behind the church.
- Students will take their normal transportation each day. If that should change, the school office will need to be notified by 1:45.

Walkers: Students who need to cross Rt. 20 will walk down the sidewalk on the west side of the building. Remaining students will proceed to the sidewalks on Broad or Center Street as they head for home.

Bike riders: Bike riders will park their bikes in the bicycle rack. Please be respectful of property by not cutting through yards and following all other bicycle safety rules.

VISITOR POLICY

All visitors to our building are to enter through the main doors and then sign in with the secretary. The visitor is also given a visitor lanyard which should be visible to all. The visitor should sign out before leaving the building.

VOLUNTEERS

We welcome volunteers to help with various tasks throughout the building. Some of those tasks include helping in the cafeteria, helping with recess duty, chaperoning for field trips, and helping out in classrooms as needed. All volunteers must complete the Virtus training through the Diocese as well as have a background check on file.

WEATHER AND CLOSING INFORMATION

Immaculate Conception School follows the Bellevue City School District procedures regarding inclement weather. Parents will be notified through the Option C alert system via phone, email, and/or text. In addition, information will be posted on our facebook and twitter pages. Parents may also check radio (99.1 FM or 92.1 FM), or television (Channel 3, 5, 8, 11, 12 or 13) for information regarding closings and delays for Immaculate Conception and Bellevue City Schools.

Delays are for 2 hours; classes will begin at 9:45 am.

WITHDRAWAL AND TRANSFER OF RECORDS

A student who leaves Immaculate Conception School before the completion of 8th grade is considered a withdrawal. The custodial parent/guardian withdraws the child through the school office. The transfer of records is conditional based upon the successful completion of academic records and **full payment of tuition and fees**. Student records are forwarded to the new school once our school receives a request from the new school with the parent/guardian signature.
